

## **St. Martin of Tours Academy**

Each year St. Martin of Tours Academy located in La Mesa, California, hosts a fundraising event. The purpose of this annual event is to raise money to help with operational expenses which enhance the educational experience for the 300 students who attend our school. Although parents pay annual tuition for their children to attend, there are still many needs at the Academy that extend beyond the financial reach of what the annual tuition covers.

We are very proud of our school which has been offering students an excellent academic foundation, with an emphasis on moral development and life skills, for more than 60 years. At St. Martin of Tours Academy, our students are preparing to become good citizens while learning to create a better world around them.

Below are a few of the ways that you can help us:

- A donation of goods and/or services which can be auctioned at the event
- Sponsorship of the event through a monetary gift
- A contribution for one or more opportunity drawing tickets (\$25 dollars each)

This year our annual fundraiser will be held November 7, 2015. The theme for the evening is **"Gold Rush Gala"** and will include dinner, music, dancing, live and silent auctions, and multiple cash prizes... culminating with the \$10,000 Grand Prize!!!

When you make a donation, your business will be listed in our **"Gold Rush Gala"** event program. As a sponsor, your business will also be listed on the school website event page. We highly encourage our Academy families to support the generous businesses that donate to our school by way of our fundraiser. This is our way of saying thank you to all those who have helped support our school.

Please visit our website for more information at [stmartinacademy.org](http://stmartinacademy.org). Any donation you are able to make would be greatly appreciated. Donations need to be received by October 8, 2015 to ensure publication in the event program.

All Donations are tax deductible  
Tax ID # 27-3859839

Thank you for your consideration.
