

St. Martin of Tours Academy Presents

Each year St. Martin of Tours Academy located in La Mesa, California, hosts a Spring Fundraising event. The purpose of this annual event is to raise money to help with the operational expenses which enhance the educational experience for the 300 students who attend our school. Although parents pay annual tuition for their children to attend, there are still many needs at the Academy which extend beyond the financial reach of what the annual tuition covers.

We are very proud of our school which has been offering students an excellent academic foundation, with an emphasis on moral development and life skills, for more than 60 years. At St. Martin of Tours Academy, our students are preparing to become good citizens while learning to create a better world around them.

The proceeds from this Annual fundraiser assist the Academy with various needs that make our children's education possible. More than ever, in these economically challenging times, St. Martin of Tours Academy depends on this fundraiser to help meet our budget needs each year. In addition, a portion of the funds raised will help with our tuition assistance program which creates support for those children and families who need some financial assistance throughout the school year.

Below are a few of the ways that you can help us:

- A donation of goods and/or services which can be auctioned at the event
- Sponsorship of the event through a monetary gift
- A contribution for one or more opportunity drawing tickets (\$25 dollars each)

This year our annual fundraiser will be held March 1st, 2014. The event theme will be "A Night in New Orleans" and will include dinner, music, dancing, live and silent auctions, and multiple cash prizes... culminating with the \$10,000 Grand Prize!!!

When you make a donation, your business will be listed in our "A Night in New Orleans" event program. This program will be distributed amongst all of the Academy families and attendees. Your business will also be promoted in the St. Martin of Tours Academy directory, issued to all of our Academy families in the Fall. We highly encourage our Academy families to support the generous businesses that donated to our school by way of our fundraiser. This is our way of saying thank you to all those who have helped support our school.

Please visit our website for more information at www.stmartinacademy.org. Any donation you are able to make would be greatly appreciated. Donations need to be received by February 7th, 2014 to ensure that the donating sponsors will be included in the event program.
